ABOUT SURELINE

Sureline Foam Products is a leading Canadian foam converter and manufacturer of products used in furniture, bedding, medical, commercial, consumer, aviation, packaging, athletics, and many other industries. Our base of operations is our facility in Calgary, Alberta, Canada. We take pride in the products we produce, implementing multi stage quality control processes. Customer service is our first priority, we closely work our clients to create a supply program that adapts to their needs.

PACKAGING

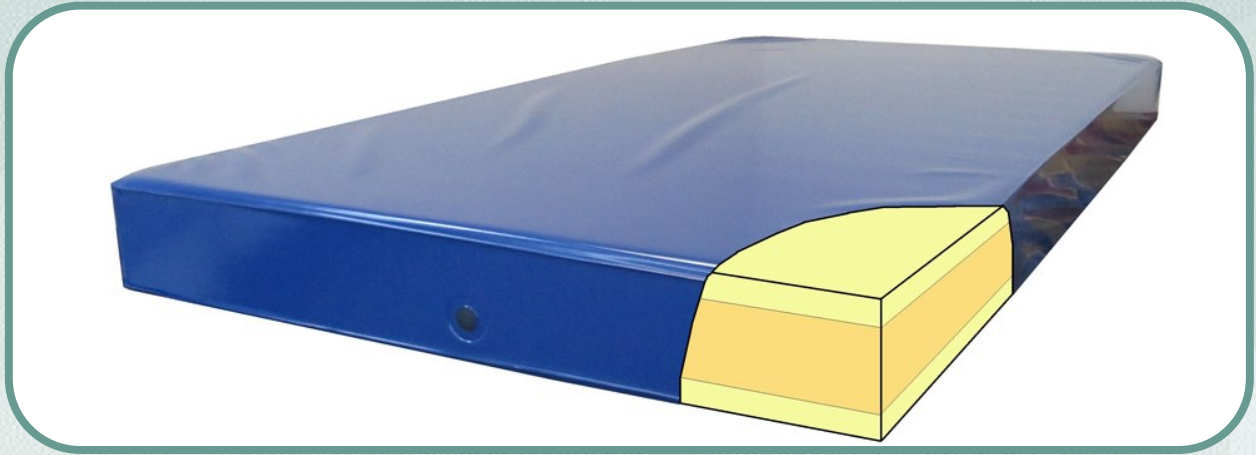

- Sureline Specializes in all types of packaging protection.
- Box Inserts
- Hard case inserts
- Sureline also a reseller of Pelican, Nanuk and UK hard-cases.
- Packaging end caps.
- Insert design creative service

2024

INSTITUTIONAL MATTRESSES

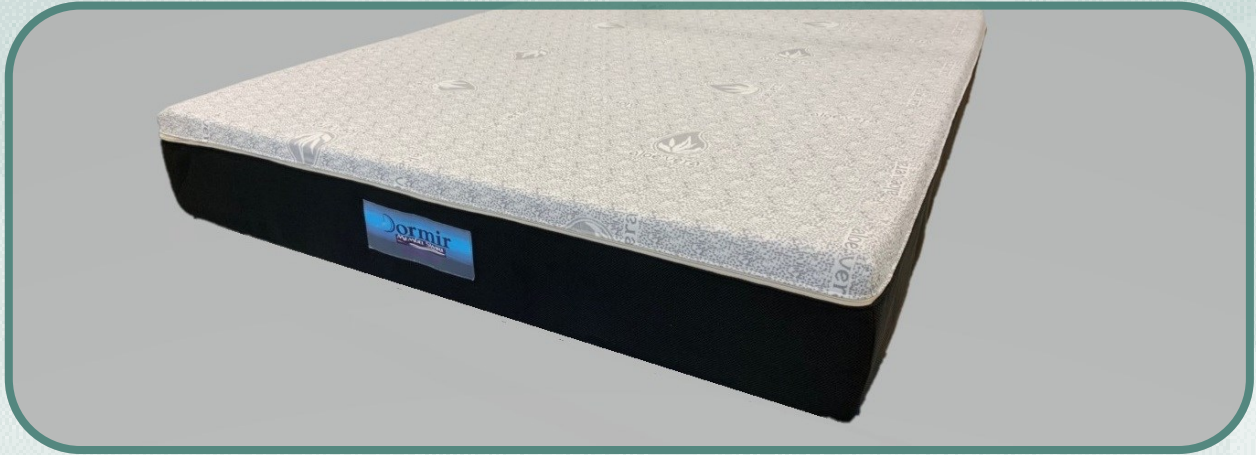

- Institutional mattresses for any specification and certification requirement
- Radio Frequency fused seams available with our popular Sealmatt series

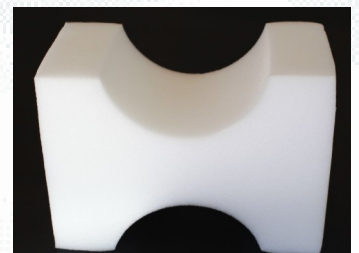

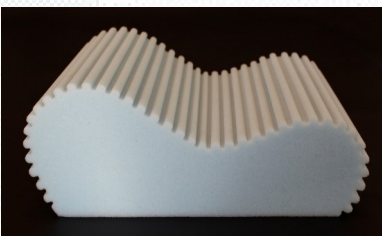

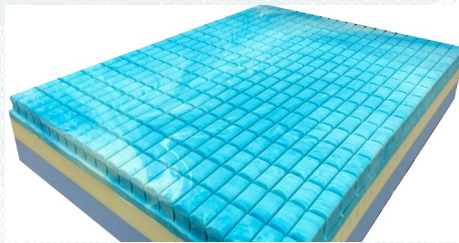

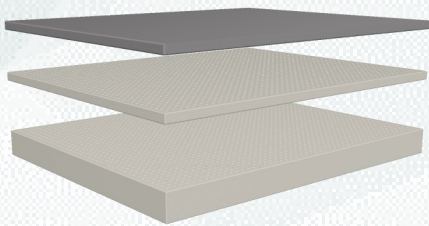

2024

CONSUMER PRODUCTS

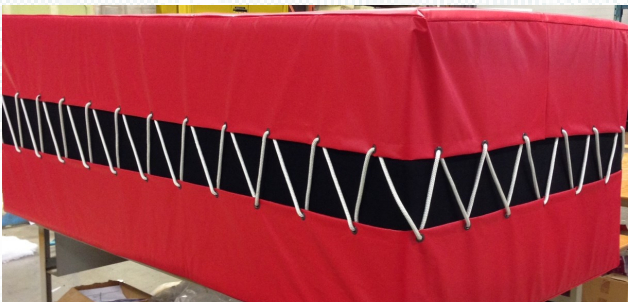

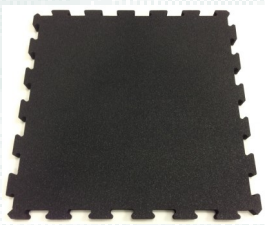

- Bed in a Box manufacturing
- In house cut a sew department
- Latex and memory foam pillow manufacturing
- On demand product supply for our retail partners.
- Large inventory of bed bases and motorized adjustable bed frames.

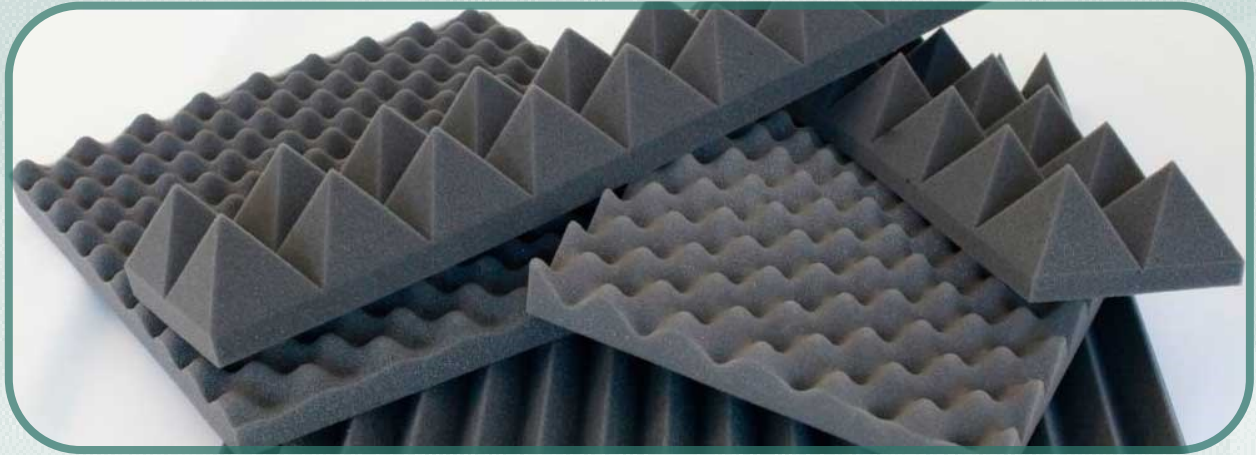

ATHLETICS

- Made to order crash mats and vinyl covered pads.
- Foam pit cubes and pit edge protection
- Active Sub floor protective padding
